Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner left a message on Mr. Thomas Langer's voice machine indicating claim 5 has 101 problem. Since Mr. Langer cannot be reached, Mr. Alphonso Collins, one of Applicant's designated Representative, was referred by his firm. In response to the Examiner's proposal to amend claim 5 by adding --embedded on a computer readable medium-- after "program" (line 1) to overcome 35 USC 101 problem in which the claim is directed to non-statutory category of invention, in which the claim is merely a computer program listing, Applicant's Representative, Alphonso Collins, authorizes the Examiner to amend the claim as given in the attached Examiner's Amendment.
